2. BACKSTAGE / SECURITY

2a PASSES

BaBa ZuLa will use festival passes, we will however need to exercise control over BaBa ZuLa's immediate backstage area and the stage area from 30 minutes prior through until 30 minutes following performance. Please provide details on how / where these passes can be collected and information you require from us in order to be able to issue said passes.

2b GUESTLIST

Manager or band will supply as agreed. Please provide details regarding issuing & collection of guest list tickets / passes.

2c SECURITY

All 'standard' security requirements; special attention to following: 1 x security each at mixing and merchandise positions

6 x security in 'pit' - minimum

1 x person to secure band's dressing room at all times

(Unless otherwise agreed)

Note: Please ensure that a constant supply of drinking water is available to the crowd from the pit area during BaBa ZuLa's performance.

2d PHOTOS

BaBa ZuLa enforce following photo policy: * Instamatics etc okay

* Professional cameras only when authorized and issued with photo pass: 1st 3 songs in pit (use of flash okay)

* Thereafter pit to be emptied, photography from FOH areas okay

* No stage/backstage access.

* No recording devices of any kind unless authorized and issued with pass.
